

**DO YOU OWN A MASSEY FERGUSON T035, 35, 130,
135, 150, 230, 235, 240, OR 245 TRACTOR WITH NO
ROLL-OVER PROTECTION SYSTEM (ROPS)?**

WE WANT TO HEAR FROM YOU!

How it works:

1. PAMI provides engineered drawings for you to build a ROPS
2. PAMI tests and certifies the ROPS

Here's what you get:

1. Cost of materials covered, plus some labour costs
2. Certified ROPS to install on your tractor
