

RESEARCH SCIENCE INNOVATION

LETTER OF INTENT

Canadian AgriSafety Applied Science Program

Submit completed LOIs on or before November 30th 2022 by email to:

nadia.smith@agrivita.ca

Nadia Smith, Program Manager
Canadian AgriSafety Applied Science Program
Agrivita Canada Inc.

1) PROJECT TITLE:

2) PROJECT TEAM AND ORGANIZATION

- a) Lead Applicant, role, and Institution:

- b) Co-Applicants, roles, and Institutions:

- c) Provide a brief statement of your team's capabilities to undertake such a project:

3) PROJECT SUMMARY:

Provide a concise summary of your project. Project time frame is 4.5 years: October 2023 to March 2028.

- a) Project rationale and applied research objectives:

b) Proposed approach and methodology:

c) Brief timeline of your project (main activities by year):

Year 1 (6 months)	
Year 2	
Year 3	
Year 4	
Year 5	

d) Anticipated results and deliverables:

e) Describe the impact the proposed project will have on environmental, occupational, and workplace health and safety issues:

f) Briefly outline your organization's system or protocols for ethical review and regulation pertaining to the proposed project, particularly for research involving animals or human participants.

4) RATIONALE AND RELEVANCE TO THE AGRISAFETY PROGRAM:

Please highlight the appropriate priorities/steps in the following table and provide a brief justification of your choices:

Agrivita's 4 Streams	SCAP Program Priorities	Six Steps to Safety
Stream 1: Stress and Mental Health Stream 2: Environment and Climate Change Stream 3: Health and Safety in Underrepresented Populations Stream 4: Control of injury and illness	1. Climate Change & Environment 2. Economic Growth & Development 3. Sector Resilience & Societal Challenges	1. Hazard Identification 2. Risk Assessment 3. Hazard Elimination 4. Engineering Controls 5. Procedural Controls 6. Personal Protective Equipment (PPE)

5) BUDGET:

Source of Project Funds	Year 1 (6 months)	Year 2	Year 3	Year 4	Year 5	Total	%	Status (proposed/ confirmed)	Type (gov/non-gov/ in-kind)
AgriSafety Program							50%	<u>Proposed</u>	<u>Gov</u>
						\$0			

*Budget notes: AgriSafety Program funding no more than 50%, government stacking 85% max, max 10% in-kind (under AAFC SCAP, university researcher time a matching is considered in-kind)
